## **Agenda**

- PMO General Topics
- Breaking Locks
- Next Year's meeting schedule

### **PMO General Topics**

The PMO presented its usual general information and statistics to EC Members. It was confirmed that Eclipse would have a guest speaker at the December EC meeting.

### **Breaking Locks**

A concept of working around the coordination difficulty of JSRs in-progress vis-a-vis external implementations was presented. This was followed by a discussion open source development efforts can conduct their work within the framework of the JSPA.

### **Next Year's Meeting Schedule**

The schedule was accepted. There are some timing discrepancies for a few conference calls to be corrected. The next meeting is 14-15 December in San Diego.
