2.8 Scorecard

Java Community Process Version 2.8 JSR Scorecard

JCP 2.8 JSRs

- JCP version 2.8 was introduced in October 2011
 - Merged EC, JCP 2.9, will take effect following the 2012 EC Elections in November 2012.
 - JSR Deadlines introduced with JCP 2.8:
<http://jcp.org/en/procedures/jcp2#1.3>
 - If a JSR does not begin Early Draft Review within 9 months of completing its JSR Approval Ballot, or does not begin Public Review within 12 months of first submitting an Early Draft, or does not reach Final Release within 12 months of commencing Public Review, then the EC should initiate a JSR Renewal Ballot unless it is agreed that there are extraordinary circumstances that justify the delay. The PMO shall inform the Spec Lead and Expert Group of this decision and will request the Spec Lead and Expert Group to prepare a public statement to the EC. The JSR Renewal Ballot shall start 30 days after the request. If the JSR Renewal Ballot is approved by the EC, then another renewal ballot cannot be initiated for that JSR for an additional year.
- For migrated JSRs: JSR Deadlines take effect (clock starts) when JSR migrates
