JSR 364/Individuals Working Group Progress Report

Heather VanCura
http://jcp.org
18 July 2014
Working Group Meetings
- Tuesdays at 8:30 Pacific Time
- Participants: Azul, Fujitsu, Goldman Sachs, IBM, Nokia, Oracle, Werner Keil, RedHat, SouJava, Mohamed Tamen, Patrick Curran, Heather VanCura
  - Teleconference and WebEx meetings
  - Java.net project home:
  - https://java.net/projects/jcpnext4/pages/Home
  - 3 Meetings since the last EC Meeting in June
June 17 Meeting

• We reviewed the meeting summary from the JCP EC June Meeting.
• We decided on the following:
  • Reviewed, discussed and updated Issue #1, 2, 3, 4, 8, 44, 46; revisited Issue #29 (decided to keep closed/will not fix).
  • Assigned action items for adding language to the Process Document in preparation for EDR.
  • Agreed to incorporate changes addressed in Issue 33 (no TCK for process change JSRs).
June 24 Meeting

• We discussed and agreed that Heather would send out a summary of Issues addressed.
• Patrick would incorporate comments into first draft of revised Process Document for review by the EG prior to submission of EDR.
• We reviewed the proposed EDR draft of the Process Document and agreed that we would present summary for approval at the EC Meeting.

53: Before publication: verify internal section references
Slight re-wording in section 3.2.2.1.
41: Add option for Spec Lead to voluntarily be Dormant in Process (additional changes)
48: Should Community Seats be held for only one year? (clarify that this is still unresolved)
3: Adjust Section 1.1, Transparency, to include Affiliate Members
5: Changes to Appendix B of the Process Document
8: Revise Section 2.4, Form the Expert Group, to include Affiliate Level Members (additional changes)
11: Member vs. Member Representative confusion
21: Fee structure changes
30: Should the review period be extended when an Expert Group publishes an update to a milestone draft?
31: Require Spec/Maintenance Lead to make statement for Release Ballots on expectations for follow-on work
33: Although there is no TCK for process-change JSRs we ought to "test" whether we successfully implement the changes we specify
37: Additional transparency requirements
41: Add option for Spec Lead to voluntarily be Dormant in Process
44: Track the employers of individual Full Members who are employed and associates of Full Corporate Members
51: Clarify Maintenance process
1: Add a section in the Process Document for Membership
2: Modify Process Document Definitions to reference Membership levels and other changes
4: Revise Executive Committee Policies and Procedures
8: Revise Section 2.4, Form the Expert Group, to include Affiliate Level Members
9: Update Section 1.1.2 of the Process Document
13: The definition of Agent is too broad
14: The link to http://www.w3.org/2001/05/rfc2777 should be formatted to indicate that it's a live link
19: Clarify Member definition
27: The Process Document ought to permit more flexibility in the timing of the annual elections
28: Make Maintenance Review Ballots 14 days instead of 7 days
32: Clarify the meaning of the term "conditional yes vote" in the Process Document
45: Should EC candidates have to choose whether they want to run for an elected or a community seat?
46: Full members as well as Affiliate members may be recognized as Contributors to a JSR
Next Steps

• Continue meetings on Tuesdays at 08:30 am PDT
• Submit proposed draft for EDR milestone posting on JCP.org.
  – Prepare to submit Public Review incorporating comments and draft agreements in August 2014.
