Working Group Discussions

Bridge the gap between students and industry
Industry needs Java developers; students need connections/skills
- Utilize existing programs for primary/secondary students and raise awareness
  - Oracle Academy, JetBrains Academy, Oracle University certifications
  - Enable JUG leaders around the world to connect with Universities
    - Best practices, tools, support for building relationships
  - Bring the next generation of developers to Java
  - Speaking points around myths about Java development
    - JUGs are ideal for networking/learning skills and new industry opportunities
  - EC Members raise awareness in community of their use and need for Java developers.
