Java in Education

Working Group Discussions

Bridge the gap between students and industry

Industry needs Java developers; students need connections/skills

–Utilize existing programs for primary/secondary students and raise awareness

- Oracle Academy, JetBrains Academy, Oracle University certifications

–Enable JUG leaders around the world to connect with Universities

Best practices, tools, support for building relationships

Bring the next generation of developers to Java

Speaking points around myths about Java development

JUGs are ideal for networking/learning skills and new industry opportunities

–EC Members raise awareness in community of their use and need for Java developers.
