David Britto - September 2014

TOTVS JCP-EC ratified seat 2014

TOTVS is proud to be nominated for a Ratified Seat on the JCP Executive Committee for another term.

TOTVS is committed to Java technology and the JCP. TOTVS supplies Java technology for Enterprise business and also for Consumer Electronics.

Throughout the next year, TOTVS will continue to adhere to the principles of openness and transparency promoting Java as a key technology for overall computing software.

We're excited about collaborating with our fellow EC members to ensure Java and the JCP continue to prosper.

TOTVS has participated in and/or supported the following JSRs:

- 
- JSR 355: JCP Executive Committee Merge
- JSR 358: A major revision of the Java Community Process
- JSR 360: Connected Limited Device Configuration 8
- JSR 364: Broadening JCP Membership
