

## Java Community Process (JCP ) Program Executive Committee (EC) Participation Record

13 November 2012 - 4 October 2013

These statistics on participation (EC ballots voted and EC meetings attended) by the JCP program EC members were compiled by the JCP Program Management Office (PMO). The record runs from November to October because these EC members took office in November 2012.

Per JCP 2.9 Process Document, the two EC's are now merged into a single EC. Cinterion Wireless Modules GmbH has changed its name to Gemalto M2M mid-term.

Please contact [pmo@jcp.org](mailto:pmo@jcp.org) if you have any questions.
